

DECLARATION OF CONFORMITY

In accordance with Directive 94/9/EC dated 23rd March 1994

Autogard Series 400-X Torque Limiters

We certify that the 400-X Series of torque limiters complies with the requirements of Directive 94/9/EC Annex VIII for equipment intended for use in potentially explosive atmospheres.

Manufacturer: British Autogard Limited
Siddington
Cirencester, UK
GL7 6EU

Standards Applied: EN 13463-1:2001
prEN 13463-5:2003

Product Marking:

Special conditions for safe use apply. 400-X torque limiters **must** be used in conjunction with an appropriate shut-off device to limit disengaged running after an overload has occurred. Please refer to the applicable user instructions.

In accordance with article 8(1) of Directive 94/9/EC, a technical file has been deposited with Notified Body Number 0518, Sira Certification Service, Chester, UK.
